29-4-15

Sub: Preparation of heritage bye laws and incorporation of the same in the City Master Plan.

Sir,

As you are aware several discussions have taken place in the recent past relating to streamlining of approval procedures for construction related activities in various cities of India. Archaeological Survey of India (ASI), which is an attached office of this Ministry, implements an Act titled Ancient Monuments and Archaeological Sites Remains Act, 1958 under which an area upto a distance of 100 mtrs. from the outer periphery of the ASI monuments is prohibited area and an area upto 200 mtrs beyond this is regulated area on all sides. It may be recalled that after discussions with the Ministry of Urban Development, Ministry of HUPA, National Monument Authority (NMA), Archaeological Survey of India (ASI), Department of Space, etc., it has been decided that the provisions of AMASRA, 1958 relating to the prohibited and regulated areas around the protected monuments of ASI, would be incorporated in the Master Plan/Development Plan of different towns and cities. Further, it was also decided in the last meeting taken by Secretary, Culture on various aspects relating to this issue on 24.03.2015 with all concerned that the development authorities and town and country planning departments, as the case may be, may be nominated as expert heritage bodies for framing of heritage bye laws relating to the protected monuments of ASI which at present number 3685. The requisite details in the matter may be provided by ASI to respective development authorities or town and country planning departments once we have information on the development authorities, etc. for different cities. Accordingly, it is requested that the details of respective development authorities/town and country planning

departments in respect of various cities of India may be provided to this Ministry and ASI for taking necessary action in the matter.

2. To reiterate, the process for incorporating provisions in the master plans of various cities and towns would be as follows:-

- (i) ASI would provide the details of their notified monuments/sites alongwith the maps clearly showing the prohibited and the regulated areas between 0-100 metres and 100-300 metres respectively from the outer limits of the notified area of these monuments/cities. 'One Million Plus' cities would be prioritised.
- (ii) The Town and Country planning departments or the development authorities or the local authorities, as the case may be, would thereafter frame heritage bye laws pertaining to construction related activities in the prohibited and regulated areas after they have been notified as expert heritage agencies for the preparation of heritage bye laws. Priority would be given to 'One Million Plus' cities. The heritage bye laws would be prepared in accordance with the guidelines on the subject to be framed by National Monument Authority.
- (iii) The draft heritage bye laws so prepared would be passed on to National Monument Authority through the Competent Authority of ASI for their approval.
- (iv) Once the heritage bye laws have been approved by NMA, these would be forwarded to Ministry of Culture for its approval and thereafter the same would be notified.
- (v) Once the heritage bye laws have been notified, the same would be incorporated in the master plans of different cities and towns, by the local development authorities.
- (vi) After these have been incorporated in the master plans of various cities, towns, etc., local authorities concerned would regulate the development activities in the prohibited and regulated areas in the vicinity of protected monuments/sites in place of ASI to ensure that no unauthorized or illegal construction takes place.

hence, requested that you may advise all the State Governments to issue
to all local development authorities/town and country planning
departments that they may undertake the task of preparation of heritage bye laws
pertaining to ASI protected monuments in consultation with ASI and to incorporate
the provisions of AMASRA in their master plans in their respective towns/cities.

4. Ministry of Urban Development is also requested to send a copy of the list of
all Development Authority/CTCPs who are to be nominated as Expert Heritage
Agencies for the designated areas. A list of ASI protected monuments is enclosed at
Annexure-I. A list of these monuments/sites is also available at ASI website
<http://asi.nic.in>.
